

Creekwood Subdivision Trustees Meeting
May 26, 2017 7:30 pm 532 Blackberry Path

A short trustees meeting was held immediately following the Annual Homeowner Meeting to approve checks number 1119 thru 1126. Karen Foster also brought up the question of street lights and if it was fair for a few people to be providing this service (a few residents had added a street light.) Karen will survey where they are and Trevelyn will ask Ameren to give us an evaluation and estimate.
