

Creekwood Subdivision Trustees Meeting Minutes
January 16, 2023

Meeting held at home of Donna Sertl, chairman. Also in attendance Robert Riddell, Dorothy Zander, John Dalton and Teha Vandevan. Meeting called to order at 6 p.m.

The minutes of Sept 19, 2022 were reviewed.

It was noted that Howard Neal had paid for the tree work the trustees requested. The hole in the drainage ditch adjacent to 212 Creekwood remains unrepaired. Donna suggested we find someone else other than Tom Vogt to do the work. Dorothy suggested that Dave Julian may be a possibility.

The date for the annual subdivision meeting was set for Thursday, May 18, 2023 at 6:30. The Sertl home , 331 Old Orchard will be the site again this year. Prior to the meeting, Dorothy will send out a newsletter and annual subdivision fees notice. Trustees who's term expires this year are Bob Riddell and Dorothy Zander. Bob said he is willing to continue on, Dorothy is not.

Bob asked if the trustees thought an electronic option for paying dues was a good idea. Everyone thought it was and Bob will look into what options are available.

The subject of which roads might be next to be repaved came up. Dorothy thought that Butternut was most in need. Donna will contact Pioneer Paving and ask that they make a survey and suggestions. Bob Riddell noted that there are some small holes on the hill he would be patching. Everyone appreciates his efforts.

Dorothy noted that the gutters and especially the drains are clogged with debris and silt. Bob is going to put a notice on Creekwood Facebook and ask for volunteers to help clean them this weekend.

There being no other business, the meeting was adjourned at 6:45.

Respectfully submitted,
Dorothy Zander, Secretary
